

In July of 2015, lawmakers and the public began to express concerns over the weaponization of drone technology after a college student built a drone capable of firing live ammunition from a mounted .45 caliber semi-automatic handgun. More recently, at least one state legislature has proposed legislation to allow the use of weaponized drones by local and national law enforcement, which is something that concerns me greatly.

This amendment addresses these concerns by explicitly prohibiting the operation of a weaponized drone in the national airspace and by imposing a penalty of up to \$25,000 for each violation.

I am pleased to have worked with Rep. BURGESS on this common-sense, bi-partisan amendment and applaud my colleagues for adopting. I urge all Members to support the underlying bill.

#### REMEMBERING THE LIFE OF MARTY ANN ROGUSKY REGULA

### HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 27, 2018*

Mr. RYAN of Ohio. Mr. Speaker, today I rise to remember the life of Mary Ann Rogusky Regula who died at her family's farm in Navarre, Ohio on April 5, 2018.

Mary Regula was born in Girard, Ohio on November 29, 1926 to the late Mr. and Mrs. Rogusky. In 1949, Mary graduated from Mount Union College and it is there where she met her future husband Ralph Regula. She was an active member of the community, serving as an educator, historian, and aide in her husband's Congressional office as he represented the 16th Congressional District of Ohio.

In 1994, Mary began laying the foundation for a museum devoted to the first ladies. She told the Washington Post that it wasn't until the 1970s that we decided women had any part in this nation's history. She wanted to help close history's gaping hole by honoring the accomplishments of women. In 1998, former first lady Rosalynn Carter cut the ribbon at the formal opening of the National First Ladies' Library in Canton, Ohio. Mary hoped the museum would serve as a way to document the lives of first ladies and as a resource for scholars and students. The museum was designated a historic site in 2000, expanding to include an education and research center

that has now grown to partner with Ohio schools to provide educational programming about these important figures in American history.

She is dearly missed by her three children Richard Regula (Sherry), David Regula (Jaqueline), and Martha Regula and her four grandchildren, Thomas, Garrett, Olivia and Marissa. She was preceded in death by her parents and her loving husband.

Mary was a wonderful woman, and I am grateful to have had both her and Ralph as friends. She was a valued member of the community and her legacy leaves a lasting impact. I extend my sincerest condolences to all of her family and friends.

#### CONGRATULATING MR. GEORGE VITELLO ON HIS UPCOMING RE- TIREMENT

### HON. GREGG HARPER

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 27, 2018*

Mr. HARPER. Mr. Speaker, I rise today to congratulate Mr. George Vitello on his upcoming retirement from the United States House of Representatives. George began working in the Office of Visitor Services in March 2011 before moving to the Office of the Sergeant at Arms in June 2012.

From his first day on the job, George developed a reputation as a reliable, skilled, and friendly asset to the entire House community. George first served as a Visitor Assistant, then moved to the Sergeant at Arms and the House Appointments Desks where he became a wonderful resource—and a good friend—to every single one of his colleagues.

George assists every Member, staff person, and visitor the very same way—with an abundance of patience and a calm and pleasant attitude. He is a familiar face to both Members and staff alike, never too busy to say 'hello,' and always taking the time to ask how you are doing. George genuinely cares about every person he meets, and it shows in his work.

Working with the Sergeant at Arms, George demonstrated great initiative developing the form now used to track the monthly official business visitor counts for the Appointments Desks, as well as providing training to new interns and staff on the protocols for official business visitor badge use. Throughout his years with the House, George has been a true team player and someone who always volunteered for additional assignments, projects, and events.

George spent time as the VP/General Manager at Sea World in Florida prior to his employment with the House and always shared his passion for all creatures, great and small.

George Vitello has been a remarkable asset to the Office of the Sergeant at Arms, and he will be greatly missed by the entire House community. I am grateful for his service to the United States House of Representatives and wish him and his wife Joyce the very best in his retirement.

#### BILL KELLY AND THE TEXAS RAIDERS

### HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 27, 2018*

Mr. POE of Texas. Mr. Speaker, at the height of World War II, Bill Kelly worked as an airplane mechanic. Stationed in the Marshall Islands, he and his team were responsible for the maintenance and repair of B-29 bombers that stopped over on their way to Japan and back. He and his brothers-in-arms often stayed up all night preparing the planes for the next leg of their journey, on occasion even replacing whole one-ton engines overnight.

Although he is currently 93, aviation has been, I quote, "second nature" to Bill for most of his life. This is why the tribute one group arranged for him was so special.

Recently, the Gulf Coast Wing of the Commemorative Air Force made Bill the guest of honor at their fly-in in Lakewood, Florida. To honor his service, Bill was given the opportunity to fly in a World War II-era B-17 bomber, the "Texas Raiders," maintained by the group. Bill enjoyed his 20-minute flight and said that it brought back several good memories of his time in the service.

Mr. Speaker, as veterans of this war continue to grow older and fewer in number, it is important that we not let their sacrifice be forgotten. The members of the "Greatest Generation" made a unique contribution to the American nation, having not only endured the hardships of the Great Depression but also answered the call to defend our country after the Japanese attack on Pearl Harbor.
